## 2 . ACCOUNTING SYSTEM AND ACCOUNTING POLICY

## 2.1 . Accounting period and accounting monetary unit

Annual accounting period commences from 1st January and ends as at 31st December.

The Company maintains its accounting records in VND.

## 2.2 . Accounting Standards and Accounting system

*Accounting System*

The Company applies Accounting System for securities company issued under Circular No.210/2014/TT-BTC dated 30 December 2014 (Circular 210) by The Ministry of Finance on accounting guidance applicable to securities companies and Circular No.334/2016/TT-BTC dated 27 December 2016 (Circular 334) by Ministry of Finance amended, supplemented and replace appendix 02, 04 of Circular No.210/2014/TT-BTC. These circulars provide regulations related to accounting documents, accounting account systems as well as the method of preparing and presenting financial statements of the Securities Company.

*Announcement on compliance with Vietnamese standards and accounting system*

The Company applies Vietnamese Accounting Standards and supplement documents issued by the State. Financial statements are prepared in accordance with regulations of each standard and supplement documents as well as with current accounting system.

*Form of accounting record*

The Company is applying accounting record by computer.

### 2,3 . Basis for preparation of Interim Financial Statements

Financial Statements are presented based on historical cost principle.

Financial Statements of the Company are prepared based on summarization of transactions incurred and recorded into accounting books of dependent accounting entities and the head office of the Company.

### 2,4 . Accounting estimates

The preparation of Financial Statements in conformity with Vietnamese Accounting Standards, Vietnamese Corporate Accounting System and legal regulations relating to preparation and presentation of Financial Statements requires the Board of Management to make estimates and assumptions that affect the reported amounts of liabilities, assets and disclosures of contingent liabilities and assets at the reporting date and the reported amounts of revenues and expenses during the fiscal year.

The estimates and assumptions that have a material impact in the Financial Statements include:

- Provision for doubtful debts;
- Estimated allocation of prepaid expenses;
- Estimated useful life of fixed assets;
- Classification and provision of financial investments;
- Estimated income tax.

Such estimates and assumptions are continually evaluated. They are based on historical experiences and other factors, including expectations of future events that may have a financial impact on the Company and that are assessed by the Board of Management to be reasonable under the circumstances.

### 2,5 . Cash and cash equivalents

Cash comprise cash on hand, cash in banks and short-term, highly liquid investments with an original maturity of less than three months that are readily convertible into known amounts of cash and that are subject to an insignificant risk of change in value.

Deposits for clearing payment for securities transactions are amounts ready for clearing and settlement of the Company and investors at T+x at the request of the Vietnam Securities Depository Center (VSDC). It may be opened at the designated bank to make payment for the purchases or sale of securities according to the net deduction result.

Investors' deposits on securities trading are presented at the non-financial statements (Off - statement of financial position Items).

### 2,6 . Financial assets and Financial liabilities

#### a) *Initial recognition*

##### *Financial assets*

Financial assets of the Company including cash and cash equivalents, financial assets at fair value through profit and loss (FVTPL), held-to-maturity investments (HTM), loans, available for sale financial assets (AFS) and receivables. At initial recognition, financial assets are identified by purchasing price/issuing cost plus other expenses directly related to the purchase and issuance of those assets, except financial assets at fair value through profit and loss (FVTPL) are identified by purchasing price/issuing cost.

##### *Financial liabilities*

Financial liabilities of the Company including loans, trade payables and other payables, accrued expenses. At initial recognition, financial liabilities are determined by issuing price plus other expense directly related to the issuance of those liabilities.

#### b) *Classification principles*

**Financial assets at fair value through profit and loss (FVTPL):** financial asset is classified as FVTPL if it was held for the purpose of selling or repurchasing in financial market through researching and analyzing with profit-taking expectation. The other financial assets are not classified to FVTPL when they are sold, they must be reclassified to FVTPL.

**Held to maturity (HTM) financial assets:** are non-derivative financial assets with fixed or determinable payments and fixed maturities that the Company intends to accumulate extreme and capable of being held to maturity, except:

Non derivative financial assets that at the time of initial recognition were classified by the Company as recognized at value through profit/loss (FVTPL);

- Non derivative financial assets have been classified by the Company as available for sale (AFS);
- Non derivative financial assets meet the definition of loans and receivables.

After initial recognition, held-to-maturity financial assets (HTM) are subsequently measured at amortized cost using the effective interest rate method.

**Available for sale financial assets (AFS):** are the non-derivative financial assets that are determined as available for sale or are not classified as: Loans or Receivables, held to maturity investments, financial assets at fair value through profit and loss.

**Financial liabilities recognized through profit or loss:** are financial liabilities that meet one of the following conditions:

- Financial liabilities are classified by The Board of Management into the holding group for business;
- At the time of initial recognition, the Company classified financial liabilities into groups that recognized through profit or loss.

**Financial liabilities recognized by amortized value:** financial liabilities are not classified as financial liabilities recognized through profit or loss.

**c) Revalue financial asset principles**

Revaluation of financial assets FTVPL and AFS at market value or fair value is according to the method of valuation in accordance with the law. In case, there is no market prices at the most recent trading date, the Company uses fair value to revalue its financial assets.

**The fair value/market value of financial assets is determined in accordance as follows:**

- The market value of the securities listed on the Hanoi Stock Exchange and the Ho Chi Minh City Stock Exchange is the closing price of the last trading day counted to the date of revaluation;
- For securities of unlisted, the Company registered for trading on unlisted public listed companies (UPCom), the market value is determined as the closed price at the last trading day counts until the date of revaluation;
- For listed securities that are delisted or blocked from the 6th trading day, actual stock prices are book values at the most recent statement of financial position date;
- For unlisted and unregistered securities on the trading market of unlisted public companies: the price of securities as the basis for re-evaluation is the price obtained from reference information sources that the Board of Management assesses that this price represents the market price of these securities.
- For securities without reference from the above sources, the Company will determine the fair value based on respect for the principles, methods, or theoretical models of financial asset valuation after obtaining written approval from the Board of Directors

The difference in revaluation according to market price or according to the most accurate value (in case there is no market price) of financial assets recorded through FVTPL profit/loss in the securities company's financial asset list at the end of the accounting period, it is separately recorded on Account level 2 "Revaluation difference" of Account 121 - "Financial assets recorded through profit/loss" without recording increases or decreases in the purchase price of financial assets on the "Purchase Price" Account and are specifically determined for each revaluation as follows:

- At the first revaluation period, fair value of re-evaluating financial assets recorded through FVTPL profit/loss on the List of financial assets of securities companies are recorded to Account 1212 "Re-evaluation difference re" is the difference between the revaluation of financial assets at fair value through profit or loss at fair value at the time of revaluation at market value or fair value and initial purchase price of financial assets recorded through FVTPL profit/loss on the List of financial assets of securities companies.
- At the second re-evaluation period onwards, the revaluation value of financial assets recorded via FVTPL profit/loss on the List of financial assets of securities companies are recorded to Account 1212 "revaluation" means the difference between the purchase price of financial assets recorded via FVTPL profit/loss and revaluation value at market value or fair value this period. Differences between assessments are recorded in Account 51112 "Increase in revaluation of financial assets is recognized by profit/loss of FVTPL" or Account 63213 "Reduction in revaluation of assets financial assets recognized through profit/loss FVTPL".

Differences in the increase or decrease due to revaluation of financial assets recorded through profit/loss of FVTPL on the List of financial assets of securities companies are recorded on the principle of non-clearing presented in the Income Statement , according to 2 indicators:

- Decreasing difference due to revaluation of financial assets recorded via FVTPL profit/loss reflected in the "Loss" item and transaction costs of financial assets, FVTPL proprietary trading, details " The difference in revaluation of financial assets is recognized though profit/loss " FVTPL.

- Increased difference due to revaluation of financial assets recorded through profit/loss FVTPL reflected in the item "Income", details "Difference in revaluation - Financial assets recognized in over profit/loss".

The differences increased or decreased due to revaluation of AFS are recorded according to the principle of no offsetting and are recorded directly into equity of the Financial Statement Position at the item "Differences in asset evaluation according to fair value physical".

#### 2,7 Fixed assets

Fixed assets (tangible and intangible) are initially stated at the historical cost. During the using time, fixed assets (tangible and intangible) are recorded at cost, accumulated depreciation and carrying amount.

Depreciation of fixed assets is deducted by the straight-line method with the depreciation time estimated as follows:

- Machinery, equipment	03 - 07 years
- Transportation equipment	06 years
- Trading software, patents	04 - 05 years
- Office equipment and other fixed assets	03 - 05 years

#### 2,8 . Short-term and long-term deposits received

Deposits received are recording amounts enterprises received deposits related to business to be performed in compliance with regulations of law in force. Deposits received are not under assets of the Company, the Company has to manage separately from monetary assets of the Company.

#### 2,9 . Short-term and Long-term receivables

**Receivables from disposal of financial assets:** reflecting receivables from disposal of financial assets of the Company (not through Stock Exchange), including maturity value of financial assets or liquidation of these financial assets.

**Receivables from and accruals for dividend and interest income:** reflecting receivables from and accruals for dividend and interest income belonging to the Company's financial asset list.

**Receivables of services rendered by the Company:** reflecting receivables of the Company with the Stock Exchange, the Vietnam Securities Depository (VSD), the Investors are clients of the Company, with Securities issuing organizations or underwriters of securities and receivables from securities trading activities.

Receivables are tracked in detail by receivable period, receivable object, type of receivable currency, and other factors according to the Company's management needs. Receivables are classified as short-term and long-term in the financial statements based on the remaining maturity of the receivables at the reporting date.

**Provision for impairment of receivables:** The provision for doubtful debts is made for receivables that are overdue under an economic contract, a loan agreement, a contractual commitment or a promissory note and for receivables that are not due but difficult to be recovered. In particular, the provision for overdue receivables is based on the principal repayment time according to the original sales contract, not taking into account debt rescheduling between the parties and undue receivables. payment but the debtor has fallen into bankruptcy or is undergoing dissolution procedures, is missing, absconded, is being prosecuted, detained, tried by law enforcement agencies, is serving a sentence or has died.

The provision for bad debts is made for each bad debts according to the Circular No.48/2019/TT-BTC issued by Ministry of Finance on 08 August 2019, and Circular No.24/2022/TT-BTC by Ministry of Finance on 07 April 2022 as follow:

Overdue period	Provision rate
From over six (06) months to less than one (01) year	30%
From one (01) year to less than two (02) years	50%

From two (02) years to less than three (03) years	70%
From three (03) years and above	100%

#### 2.10 . Construction in progress

Construction in progress represents tangible fixed assets purchasing and under construction which have not yet been complete as at the balance sheet date and is recognised in historical cost. This includes costs of construction, installation of equipment and other direct costs. Construction in progress is not depreciated until such time as the relevant assets are completed and put into use.

#### 2.11 . Operating lease

Operating leases is fixed asset leasing in which a significant portion of the risks and rewards of ownership are retained by the lessor. Payments made under operating leases are charged to income statement on a straight-line basis over the period of the lease.

#### 2.12 . Prepaid expenses

Expenses incurred related to business results of many accounting periods shall be accounted into prepaid expenses for gradual allocation to business results in subsequent accounting periods.

The calculation and allocation of long-term prepaid expenses into business operating expenses in each accounting period are based on the nature and extent of each type of expense to select a method and reasonable allocation criteria.

The Company's prepaid expenses include:

- Tools and supplies, including assets held by the Company for business with the cost of each asset which is less than VND 30 million, are ineligible for recording as fixed assets according to current regulations. The cost of tools and supplies are allocated on a straight-line basis from 01 month to 36 months.
- Rental costs are allocated according to the straight-line method.
- Other prepaid expenses are recorded based on historical costs and allocated on a straight - line basis over their useful lives from 01 month to 36 months.

#### 2.13 . Short-term and long-term payables

Payables is presented according to term of payables, details for every entity, details for each type of currency and the other factors due to the management of the Company. The payable are classified as short-term and long-term in the Financial Statement based on the remaining maturities of the payables at the reporting date

**Payables to a securities issuing organization:** reflecting the Securities Issuing Organization payable's receipt and payment of disposing underwriting securities by the Company in the primary or secondary issuing company primary or secondary securities, including the circumstance which the issued company disposed securities through agents.

#### 2.14 . Borrowing costs

Borrowing costs are recognized as operating expenses in the year, in which it is incurred excepting those which are directly attributable to the construction or production of a qualifying asset are capitalized as part of the cost of that asset in accordance with VAS No. 16 "Borrowing costs". Besides, regarding borrowings serving the construction of fixed assets and investment properties, the interests shall be capitalized even when the construction duration is under 12 months.

#### 2.15 . Accrued expenses

Accrued expenses include payables to goods or services received from the suppliers or provided for the customers during the reporting period, but the payments for such goods or services have not been made and other payables such as annual leave salary, expenses arising from seasonal cessation of production, interest expenses, etc. which are recorded as operating expenses of the reporting period.

The recording of accrued expenses as operating expenses during the year shall be carried out under the matching principle between revenues and expenses during the year. Accrued expenses are settled with actual expenses incurred. The difference between accrued and actual expenses is reverted.

## 2.16 . Owner's equity

Owner's equity is stated at actually contributed capital of owners.

Share premium is recorded at the difference between the par value with costs directly attributable to the issuance of shares and issue price of shares (including the case of re-issuing treasury shares) and can be a positive premium (if the issue price is higher than par value and costs directly attributable to the issuance of shares) or negative premium (if the issue price is lower than par value and costs directly attributable to the issuance of shares).

Differences in re-evaluation of assets at fair value are reflected when re-evaluating financial assets at fair value. Revalued assets include: financial assets available for sale; fixed assets; or reassess assets when there is a State decision on asset reassessment (if any).

Undistributed profits of the Company include realized profits and unrealized profits. Accumulated realized profit of the Company at the end of the previous year is the basis for distributing profit to the owner. Accumulated unrealized profit at the end of the previous year is not the basis for distribution to the owner.

Unrealized profit of the accounting period is the difference between the total value of reassessed profits and losses of FVTPL financial assets or other financial assets included in the income statement under the category of financial assets. of the Company and Deferred tax expenses/income arising during the year (if any).

Realised profit during the period is the net difference between total revenue and income, and total expenses in the statement of comprehensive income of the Company. The profit is used to allocate for the owner will not contains losses realized at the beginning and losses not yet realized until distributing of interest to the owners. The distribution of the Company's profits to the owner must be transparent and in accordance with the securities law and other relevant laws applicable to the securities company, Charter of the securities company, Resolution of the General Meeting of Shareholders. Profits have distributed income to capital contributing members or shareholders after subtracting the tax liabilities to be calculated on the income they are entitled to.

On December 17, 2021, the Ministry of Finance issued Circular No. 114/2021/TT-BTC repealing Circular No. 146/2014/TT-BTC of the Minister of Finance guiding the financial regime for securities companies and fund management companies. Accordingly:

- For the balance of additional reserve fund of charter capital that is set up according to regulations of Circular No. 146/2014/TT-BTC: Adding charter capital according to current regulations;
- For the balance of operational risk and the financial reserve fund that is set up according to regulations of Circular No. 146/2014/TT-BTC: Adding charter capital or using according to decision of the General Meeting of Shareholders, Board of Members and Chairman of company in accordance with current regulations.

Dividends to be paid to shareholders are recognised as a payable in Statement of Financial position after the announcement of dividend payment from the Board of Directors and announcement of cut-off date for dividend payment of Vietnam Securities Depository Corporation.

## 2.17 . Revenue, Income

### *Revenue from rendering of services*

Revenue from rendering of services is recognized when the outcome of that transaction can be measured reliably. Where a transaction involving the rendering of services is attributable to several periods, each period's revenue should be recognized by reference to the stage of completion at the balance sheet date. The outcome of a transaction can be estimated reliably when all the following conditions are satisfied:

- The amount of revenue can be measured reliably;
- It is probable that the economic benefits associated with the transaction will flow to the Company;
- The stage of completion of the transaction at the balance sheet date can be measured reliably;
- The costs incurred for the transaction and the costs to complete the transaction can be measured reliably.

***Income from securities trading***

Income from disposing of proprietary financial assets FVTPL is determined as the difference between the selling price and the cost of the number of FVTPL financial assets sold. Income from sale of financial assets is realized income earned.

Income from an increasing revalue of FVTPL proprietary financial assets at fair value. Income from revaluation financial asset in FVTPL proprietary financial assets are unrealized income.

Income derived from FVTPL, HTM, loans including: loan interest arising on loans in accordance with the Law on Securities; Dividends, dividends distributed from stock, bond interest; Interest derived from fixed deposits.

Dividends and dividends arising from financial assets belonging to the Company's portfolio: FVTPL, HTM, and AFS are recognized when the Company is entitled to receive dividends from the ownership of the shares already established.

**2.18 . Financial income, financial expense**

Financial income is revenue from interest on non-fixed bank deposits.

Financial expense is interest expense.

**2.19 . Operating expenses and administrative expenses**

Costs are recognized into operating costs when it may decrease economic benefits at the generating time or it may be determined in a certain way, no distinction it was paid or not.

**2.20 . Taxation*****a) Deferred income tax payable***

Deferred income tax liabilities are measured based on current corporate income tax rate, tax laws used to compute the amount are those that are enacted by the balance sheet date.

***b) Current corporate income tax expenses and Deferred corporate income tax expenses***

Current corporate income tax expenses are determined based on taxable income during the period and current corporate income tax rate.

Deferred corporate income tax expenses are determined based on deductible temporary differences, the taxable temporary differences and corporate income tax rate.

Current corporate income tax expenses and deferred corporate income tax expenses are not offset against each other.

***c) Current corporate income tax rate***

The Company is subject to corporate income tax of 20%

**2.21 . Earnings per share**

Basic earnings per share amounts are calculated by dividing net profit or loss after tax for the year attributable to ordinary shareholders of the Company (after adjusting for the bonus and welfare fund and allowance for Board of Directors) by the weighted average number of ordinary shares outstanding during the period.

**2.22 . Related Parties**

The parties are regarded as related parties if that party has the ability to control or significantly influence the other party in making decisions about the financial policies and activities. The Company's related parties include:

- Companies, directly or indirectly through one or more intermediaries, having control over the Company or being under the control of the Company, or being under common control with the Company, including the Company's parent, subsidiaries and associates;
- Individuals, directly or indirectly, holding voting power of the Company that have a significant influence on the Company, key management personnel including directors and employees of the Company, the close family members of these individuals;
- Enterprises that the above-mentioned individuals directly or indirectly hold an important part of the voting power or have significant influence on these enterprises.

In considering the relationship of related parties to serve for the preparation and presentation of Financial Statements, the Company should consider the nature of the relationship rather than the legal form of the relationship.
